

Sensacryl[®] Ultra is a trade mark of acrylic cell cast manufactured in Mexico by Plastiglas.

Sensacryl[®] Ultra sheets are recognized for its resistant properties and costmetic brightness, that can be used for different applications. These acrylic sheets allow thermoformers to get sanitary results such as bathtubs, shower pans and bases, spas, sinks, etc.

This acrylic has more resistance to impacts, to chemical products and satins than any other acrylic of its type.
